Wednesday 28<sup>th</sup> June 2017

Dear Parent

This letter is to inform you that from September there will be student in St Malachy's Primary School with a severe food allergy to peanuts/nuts. It is important that there is strict avoidance to this food in order to prevent a life-threatening allergic reaction. We are asking your help to provide the student with a safe school environment.

Any exposure to peanuts/nuts may cause a life-threatening allergic reaction that requires emergency medical treatment. To reduce the chance of this occurring, we are asking that from September you do not send any peanut or nut containing products to school with your child. If your child has eaten peanuts/nuts before coming to school, please be sure your child's hands and face have been thoroughly washed before entering the school.

We appreciate your support for these procedures. Please contact me if you have any questions.

Sincerely

Mr Paul Duggan  
Principal
