3. Click here (ATOS) to open up the AR levels.

4. Select the level by clicking on the number e.g. if your child is reading 1.3 click on 1.

5. You will see the letter A appears in the top left.

6. Then click search. Scroll down and books at that level will appear below.

7. If you want to see the specific level of the book, click on info.

8. Click on info again to get further details. The exact AR level will be under ATOS and the quiz number under AR Quiz.
